CAMOUFLAGE

We played a game
birds and worms.

Once group
chose what type
of bird they
would be while
the other group
hid wool worms.

TREES

Roots, tree trunk, branches and leaves all go to make a tree.

TREES

Time to make
our own tree. We
use bamboo
canes to make
our square
picture frame.

TREES

We look for sticks and leaves to make our own tree. Remember not to break anything living.

TREES

Really starting to take shape, well done.

LEAVE NO TRACE

We have to tidy up afterwards to make it safe for wildlife.

Mostly happy faces, some just wanted more games.
