KELLY KETTLE

We discussed fire safety, including the fire triangle. The children were able to answer questions well.

The children watched me light the fire using the fire rod. They told me I should add the smaller bits of wood before the bigger ones.

KELLY KETTLE

The children carefully helped me feed the fire with dry wood.

Once the kettle was boiled we used the fire to melt marshmallows.

Yum yum! Marshmallows and hot juice.

LEAVE NO TRACE

We poured lots of water over the fire to ensure that it was out. We ring 999 to phone the firefighters if a fire is out of control.

DID YOU ENJOY IT?

Smiley faces all around, even the one who didn't like the marshmallow had a good time.
